Message from the Chairman

Gyan Devi Public School Senior Secondary is committed to nurturing and grooming young generations into responsible citizens and future leaders. The NEP 2020 outlines the vision of India's New Education Policy and marks a significant transformation. It aims at equipping students with high order thinking skills required to succeed in the 21st century. We are committed to fulfilling this aim.

Our teachers work tirelessly to prepare the next generation to thrive and compete in the new digital and hybrid age. There is much emphasis upon multidisciplinary methodology, digital literacy, effective communication skills, problem solving, logical reasoning and vocational experience.

I request the parents to keep abreast of all information regarding their child's performance. Your interest and concern in their progress will motivate and inspire your wards to do their best. With your help, we will continue to be a school community in which every child feels respected, valued and challenged, to achieve their goals.

We believe in the famous quote, "Success comes to those who work hard and stays with those who don't rest on the laurels of the past". So let us strive to work hard as a team, in order that we can continue to show sincerity and perseverance in our efforts. In this way, we can impart quality education to the future policy makers of the world!

I extend my best wishes to all stakeholders, who have given this institution its unique character and standards of excellence.

May we all be the change we wish to see in the world.

God Bless you All!

Warm Wishes and Regards

Message From The Principal

Dear Students, Parents and Educators

**विद्यां ददाति विनयं विनयाद् याति पात्रताम्।
पात्रत्वाद् धनमाप्नोति धनाद् धर्मं ततः सुखम्॥**

(Knowledge imparts humility, from humility comes worthiness, from worthiness one attains wealth, from wealth comes righteousness, and from righteousness comes happiness.)

Education is the guiding force that illuminates our path, shaping young minds into responsible, knowledgeable and compassionate individuals. As we step into another enriching phase of our academic journey, let us embrace learning with curiosity, resilience and a spirit of excellence.

At Gyan Devi Public School Senior Secondary, we believe in holistic development—nurturing intellect, character and creativity. Our dedicated teachers, supportive parents and hardworking students are the pillars of our success. Let us continue striving for growth, innovation and values that build a brighter future.

As the Bhagavad Gita beautifully states:

न हि ज्ञानेन सदृशं पवित्रमिह विद्यते।

(There is nothing as purifying as knowledge in this world.)

Let us embrace every opportunity to learn, grow, and evolve. The journey of education is one of perseverance and self-discovery. With dedication and discipline, success follows naturally.

Let us focus on sincere efforts, integrity and excellence in all we do. Together, as a school community, let us work towards creating an environment of learning, respect and innovation.

सर्वे भवन्तु सुखिनः, सर्वे सन्तु निरामयाः।

सर्वे भद्राणि पश्यन्तु मा कश्चिद्दुःखभाग्भवेत्॥

(May all be happy, may all be healthy, may all see good things in life, and may no one suffer.)

May we always seek wisdom, uphold integrity and contribute positively to society. Wishing everyone a fruitful and inspiring year ahead!

Warm Regards
Ms. Anshu Sharma

Last but not the least, there was no shortage of food which was served fresh to every visitor.
